

FIVE SOLAS

- 10/01 — By Scripture Alone
- 10/08 — By Faith Alone
- 10/15 — By Grace Alone
- 10/22 — Through Christ Alone

Five hundred years ago, Martin Luther had some choices to make. He chose to **STAND UP** and on Oct 31, 1517, posted 95 Theses to challenge false doctrine. This eventually sparked the Protestant Reformation and shaped so much of what we believe as fundamental doctrines of the Church today. The **Five Solas** summarize these 95 Theses — and we are taking a look at them one by one.

The Wesleyan Church is a church of the Bible, seeking to teach both in doctrine and practice nothing but what the Bible teaches, and to require only what the Bible requires.
